*Bill & Sandy have served with TWR for many years. For five years in the late 1980's they were part of the staff at TWR's broadcast site on Guam. For ten years they had the joy of belonging to Crossroads Fellowship when they were tapped to take on new responsibilities. They had traveled to Wales for a season and are now strategically stationed in Colorado where Bill works with many other Christian ministries. He helps develop partnerships with them to maximize ministry effectiveness in critical parts of the*

*Trans World Radio (TWR) is the largest radio network in the world, religious or secular. This incredible voice of the Gospel beams into every corner of the world in more than 200 languages. As TWR Partnership Facilitation Manager, Bill helps TWR develop media partners to resource their many global audiences. He also finds niche markets where there is NO gospel message being broadcast and seeks to leverage existing TWR resources to open new opportunities for the Gospel. Sandy is involved in several Bible study groups and is assisting a local counseling ministry in website design and content development. They live in Colorado.*
