Week 6: Action Step: (Worship = Honor God)

1. **Monday:**

- A. Read Psalm 95:6-7 and John 4:24 and summarize in your own words what it means to worship God. Recall a time when you felt like you worshipped in such a way that you really connected to God. As you think about that time, what would you say was the 'key(s)' to such an effective time of worship? ***Note:** If you've never had such an experience, write down what you 'hope or expect' it would be like.
- B. **Write down the 3 MOST important 'earthly' things in your life.** If you start really loving God first and foremost, how does your life regarding these 3 things need to change in terms of what you do, what you think, and how you feel?
- C. Meditate on the following definition and passage:

To worship means that because of what God has done, our response is to love Him, moment by moment, by the power of the Holy Spirit.

'O God, you are my God, earnestly I seek you; my soul thirsts for you, my body longs for you, in a dry and weary land where there is no water. I have seen you in the sanctuary and beheld your power and your glory. Because your love is better than life, my lips will glorify you. I will praise you as long as I live, and in your name I will lift up my hands. My soul will be satisfied as with the richest of foods; with singing lips my mouth will praise you.' **Psalm 63:1-5**
